BRIEF ABSTRACT OF LETTER.

Represents that the Comptroller has passed his T.A. bill for Rs 116-6-0 regarding Bangalore as his place of residence, while in fact he travelled from Raichur to Mysore in response to the invitation & returned from there to Davangere, his son Mr. R. A. Varadarajaiya having been transferred to that place in the meantime, & requests that ~~his~~ T.A. for the journeys actually performed by him may be sanctioned.

NOTES AND ORDERS.

In the printed list of invitees the address of Mr. Trimalachar is given as "Rallaswaramu, Bangalore" & the Comptroller, to whom a copy of this list was forwarded, has accordingly allowed to the gentleman T.A. for the journey from Bangalore to Mysore & back—

1) The order of the Financial Branch on this subject is silent regarding mileage ~~to officers~~ for road journeys performed by retired officers in this connection -

3) The claim has, I think, to be passed. Retired officers living ~~outside~~ in places unconnected by rail, have to be given mileage or other allowance allowed by the rules for their road journeys.

2 to Br II for remarks, 27.12.10

4) Submitted.

1) mileage is claimed for the officer only + not for the servant accompanying him.

5) 2) G.O. date 28.10.10, allowing single return fare for the officer is based on the G.O. date 7.8.06, laying down the rates of t.a allowed to the guests invited for Darbar + Birthday. The latter G.O. does not seem to contemplate the grant of mileage for the road journey performed by the guests.

6) 3) It seems to be too late in the day to consider the necessity of giving mileage also for the guests invited to attend the marriage of H.H. the Yuvaraj.

7) 4) The officer may be informed politely that it is not usual to grant mileage for the road journey

4/1/11 When Ta. is granted there can be no reason for withholding mileage but before it at the usual rate would be too much. Again it does not seem like in good face on the part of the invited Govt to importunate. Still if the claim has to be admitted at the usual pot rate for a Country Cart is ½ annas a mile I believe that rate & no other can be allowed. It's a simple act of charity on the part of pot and the receiver cannot be over nice in accepting it. It therefore submitted that nothing no mileage need be allowed at all or if it has to be given the lowest rate admissible viz ½ annas a mile may be given irrespective of the status of the retired Officer. (Perhaps the most to be done rate at 3 annas
